

Amendments to the Claims:

The listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

Claims 1-61 (Canceled)

Claim 62 (Currently amended) A method for inducing an immune response against an influenza virus in a human or animal wherein said human or animal has a deficiency in CD4+ T cells, and said method comprising the step of administering to said human or animal an immunogenic composition comprising an inactivated intact influenza virus whereby a humoral immune response specific for the virus is induced.

Claim 63-66 (canceled)

Claim 67 (previously added) The method of claim 62 wherein said virus is inactivated with formalin or beta-propiolactone.

Claim 68-70 (Canceled)
